Dr. Pappas would like to do STD talk to area schools. Lisa Harper will get outline of presentation for committee review.

New equipment: Covered concrete pad at Central - will have picnic tables. New playground equipment at East Side.

Other concerns brought up:

- 3rd grader taking off bra and leaving in girls' restroom - embarrassment issue
- Alcohol use- would like to get speaker- someone from MADD or a student who has had his/her life destroyed by alcohol use/drunk driving. Need for caution in bringing in speakers brought up.

Watched Understanding HIV & AIDS video - concerns about needing stronger emphasis on no cure.

Operation Santa Jaws was discussed by Coach Figorova. Students at East Side Intermediate will shoot basketball hoops and kick soccer goals to raise money for Christmas presents for those who might not otherwise have gifts. Operation Santa Jaws will start Nov. 30th and end Dec. 15th.
